

# TEAC Thermal Disc Printer

## Single-Color

### Single-Color Thermal Disc Printer

Direct to Disc Thermal Transfer Imager

- Prints to 4 separate areas on disc with the unique 90 degree rotation function
- Compact and light weight design
- Label design software included
- Low ink cost – 200 prints per ribbon

**Package Includes:** P-11 printer, AC Adapter, USB Cable, 1 Black Cartridge, 5 CDR Media, Label Software & Installation Guide

Create professional looking discs in just minutes with TEAC's P11 Direct to Disc printer! It is fast, easy and inexpensive. P11 is much faster than printing, peeling and attaching a label. It produces far better looking results than scribbling on the CD with a marker.

You will never have to use sticky labels (expensive, hard To apply, and potentially damaging to players) or a marker (not professional looking results) ever again! Prints from P11 are moisture-proof, water-proof and smudge-Proof. What more can you ask for?
